OCDSB's Real World Task Bank

In the Fall of 2023, the Ottawa-Carleton District School Board's *Real World Assessment Task Bank to support Adult ESL Instructors in Ontario* website, located at <http://realworldtasks.ca>, was closed, and the entire collection was migrated to Tutela (www.tutela.ca).

It is now housed in the Collections area of Tutela, at this direct link (need Tutela membership and be logged in to access): <https://www.tutela.ca/Collections?query=OCDSB>

From this page, users can filter their desired search results by Theme and also by Instructional Level.

The *Real World Task Bank* appears as five collections according to CLB level, at these direct links:

- [OCDSB's Real World Task Bank – Literacy](#)
- [OCDSB's Real World Task Bank – CLB 1/2](#)
- [OCDSB's Real World Task Bank – CLB 3/4](#)
- [OCDSB's Real World Task Bank – CLB 5/6](#)
- [OCDSB's Real World Task Bank – CLB 7](#)

In each section of the individual collections (organized by theme), Modules appear first, followed by Assessment Tasks.
