

STAY SAFE AT WORK - WORKER HEALTH & SAFETY AWARENESS: VIRTUAL TRAINING

In Collaboration with Workplace Safety & Prevention Services

Tuesday, March 26, 2024 | 1 p.m. - 3 p.m.

Looking to start a new job? Learn about potential safety risks and how to prevent them to stay safe on the job.

Through the virtual training, you can:

- Identify common workplace hazards
- Identify ways to protect yourself and others in various work environments
- Learn about the Ontario Occupational Health and Safety system
- Find out what resources and information are available to you for upholding workplace health and safety

After the training, participants can earn a certificate of completion and save time from safety training for job onboarding.
