BUILD YOUR OWN ROBOT:
IN-PERSON ACTIVITY FOR KIDSIn Collaboration With Embrace
Multiculture Education Centre**Monday, January 27, 2025 | 1:30 p.m. – 3:00 p.m.** Join us to build a robot, learn STEM, and have fun! 

EMBRACE's "Edu-tainment" philosophy promotes learning through a balanced approach, allowing children to explore while receiving just the right amount of guidance.

 In this workshop, participants will build their own robot and engage in collaborative or competitive activities with their peers – from dueling knights to speedy soccer bots. Kids are sure to have a blast! Both new and experienced participants are welcome to join.**690 Dorval Drive, Unit 100 Oakville, L6K 3X9**

This session is offered by Embrace, Achēv is only facilitating the connection to the program by providing the space.
