Help Build Prosperity Through Strategic Collaboration

About Achēv

Achēv creates faster paths to prosperity for newcomers and individuals facing barriers to employment and integration. With over 400 staff across eight locations in the Greater Toronto Area and online, we support more than 100,000 clients annually. Our work spans settlement, language training, employment services, youth and women's programs, and IT solutions.

As one of the largest charitable social service providers in the GTA, Achēv plays a vital role in addressing Canada's labour market challenges. We empower newcomers and Canadian-born individuals to build the skills, confidence, and connections they need to thrive—contributing meaningfully to Canada's economy and communities.

The Opportunity

Achēv is committed to building a revenue portfolio that is diversified across multiple sources, including the private sector and governments at all three levels. The volunteer Corporate Partnership Committee's mandate focuses on **assisting Achēv in identifying and building mutually beneficial partnerships with private sector organizations**. The generous contributions of our partners—whether through expertise, resources, or strategic collaboration—help Achēv create faster paths to prosperity for our clients and achieve our strategic goals.

We're seeking passionate, connected, and visionary leaders to join this committee and help us unlock new opportunities for collaboration, innovation, and shared value.

As a committee member, you will:

- **Shape Achēv's corporate engagement and sponsorship strategy**
- **Leverage your network** to open doors to new partnership opportunities
- **Align initiatives** with your organization's CSR and ESG priorities
- **Support fundraising and resource development efforts**
- **Contribute to workforce development and newcomer integration**
- **Provide strategic insights** on partnership trends and best practices
- **Network with senior leaders and changemakers** committed to inclusive economic growth
- **Amplify Achēv's impact** across sectors and communities
