

## BRIDGING PROGRAM AT MCMMASTER: WEBINAR

In Collaboration with  
McMaster University

**Thursday, April 9, 2026 | 10:00 a.m. - 12:00 p.m.**

Learn how to become a certified composite technician today  
with McMaster University Upskilling Program

What you will gain by joining this program:

- Free job training with a Canadian, industry-recognized certification at the end
- In-demand technical and soft skills needed for the Canadian workplace
- Career support services such as networking, resume building, job search guidance, and direct connections with employers

Achēv solely facilitates the information session and does not offer direct training or consulting services or referrals.
