

# ESTABLISHING CREDIT IN CANADA & MORTGAGE BASICS: WEBINAR

In Collaboration with National Bank

**Thursday, July 9, 2026 | 10 a.m. - 11 a.m.**

Are you new to Canada or starting your financial journey? Join us for this engaging session where we'll cover the essentials of establishing credit and preparing for homeownership. You'll learn how to build a strong credit profile.

- Why your credit score matters and how lenders use it to assess mortgage eligibility
- How to determine what you can afford – including budgeting and your down payment
- Key steps to getting mortgage-ready, including the documents you'll need (proof of income, employment history, ID) and other important costs to consider, such as taxes, home insurance, and legal fees
