BRIDGING PROGRAMS FOR INTERNATIONALLY TRAINED PROFESSIONALS: WEBINAR

In Collaboration with Humber Polytechnic

HUMBER POLYTECHNIC

Thursday, November 26, 2026 | 10 a.m. - 12 p.m.

Are you looking to restart your career in Engineering, Electronic Security, or Supply Chain in Canada?

Discover how Humber Polytechnic's Bridging Programs can help you gain the skills, connections, and experience needed to enter the Canadian workforce.

These specialized programs are designed to help internationally trained professionals:

- Develop the technical and workplace skills sought by Canadian employers
- Connect with employers through targeted hiring and networking events
- Expand their professional network in Canada

Humber Polytechnic offers three Bridging Programs:

1. Engineering & Architecture
2. Electronic Security
3. Supply Chain

Registration deadline: November 25 at 12 p.m.

Eligibility: Permanent Residents and Convention Refugees
